Dear Chancellor,

2013 Budget

We are the Quoted Companies Alliance, the independent membership organisation that champions the interests of small to mid-size quoted companies. Their individual market capitalisations tend to be below £500m.

The Quoted Companies Alliance is a founder member of EuropeanIssuers, which represents over 9,000 quoted companies in fourteen European countries.

We are pleased to submit our proposals for taxation reform for the 2013 Budget. These measures are designed to help drive private sector growth and employment and include suggestions for funding these reforms.

If you, or your officials, would like to discuss in more detail the suggestions we make, we will be very happy to attend a meeting.

Yours sincerely,

Tim Ward
Chief Executive
