- 2. Apologies**
- 3. Further issues for discussion**
 - a) [BEIS Guidance on mandatory climate-related financial reporting disclosures](#)
 - b) Future meetings and speaker priorities.
- 4. Communications (information only)**
 - a) The QCA and Peel Hunt Small and Mid-Cap Investor Survey for 2022 was published on 25 January 2022. This year, the survey focusses on: the attractiveness of public markets; ESG developments; the importance of retail investors; views on the definition of small-caps; and research on small and mid-caps. The report highlights that there is an increasing disparity between how companies and investors view the public markets.
